

A Code for Geoscientific Fieldwork in Africa:

Guidelines on Health and safety Issues in Mapping, Mineral Exploration and Geoecological Research

CONFERENCE TIME TABLE

- **Registration Opens on Monday February 8, 2018**
- **Abstract Submission Deadline, March 15, 2018**
- **Submission of Proposals for Workshops Closes 28 February, 2018**
- **Application for Exhibition Spaces Closes March 30, 2018**

Field Excursion

The LOC is organizing field excursions to outstanding geosites around the Abuja and **Keffi** areas, providing excellent opportunities for performing risk assessment on one hand, and geoconservation **studies**, on the other.

Speakers

A line-up of internationally renowned speakers will deliver their **engaging** talks across the full range of Conference sub-themes.

The following workshops are available at a cost of Naira 20,000 per participant for each workshop, payable by Bank Draft or Certified Cheque to any of the Conference bank accounts.

- (I) Medical Geology Curriculum and Appropriate Field Project Selection
- (II) Safety Requirements in Well Logging
- (III) Administering First Aid and Emergency Care in the Field

Additional workshop proposals will be considered for approval till 28 February, 2018.

Exhibition and Advertisements

There would be spaces provided for exhibition of products, brands, equipment and other services by geoscientific institutions, mining companies, and allied firms. **This will** also allow the showcasing and marketing of business profiles to potential clients.

Payment for exhibition spaces at Naira 50,000 per slot, should be made to any of the Conference bank accounts by Bank draft or Certified Cheque.

Members of the public are also invited to advertise their companies, businesses, services and products in the 'Final Circular' due in March 2018 or in the 'Book of Abstracts'. The cost of a full page advert is Naira 50,000, and half page, Naira 30,000; to be paid by Bank Draft or Certified Cheque to any of the Conference bank accounts.
